Additional activities at Interstuhl Group:	Renewable Energy from photovoltaics, Interstuhl, Meßstetten-Tieringen District heating from biogas by local agriculture, Meßstetten-Tieringen Afforestation, annual tree-planting campaign for employees, Interstuhl, Meßstetten-Tieringen

Interstuhl Group has made a contribution to climate protection. It is confirmed that the certificate holder supports the above-mentioned climate protection measures by providing financial support in the amount of its verified CO₂ emissions for Scope 1 and 2, including the upstream emissions of the purchased electricity. The certificate is issued on basis of the determined Corporate Carbon Footprint by calculation. Specifications and accounting boundaries can be gathered from the test report. The validity can be verified using the certificate ID at www.certipedia.com.
